LIVE-STOCK MARKET.

Native Run Moderate-Beef Cattle Lower-Sheep Close Steady. NATIVE CATTLE-The receipts of native with the same period last week, and while this should have been of some benefit to the trade, it has not been so, for supplies have continued at other centers during the period, and while

steers were offered. Trade was very unsatisfactory all the way through at steady to 193 lower prices.

No. 16532 AND BUTCHER STEERS.

Butcher Cattle-This end of the trade was amin in very duil and mean shape, and trepured the hardest kind of effort on the part of sellers to make sales at anything like yesterday's sprices. The supply contained but few good grades of heifers, and these found satisfactory sale and fully as good as yesterday, but on lighter and poocer fleshed kinds the trade was around loc lower. Dressed beef cows, while dull, did not show much change, while the camer and cutter trade generally showed a loss of 19611C.

SOUTHERN CATTLE-Receipts of quanantine cattle were in excess of the day's estimate by about 15 cars, the total register showing a carleads and 2.17 head? Trade was inclined to slowness, and to make matters still worse the biggest portion of the arrivals did not arrive until after the noon hour. Though a seller or two were of the opinion that steers were a shade lower than the Wednesday market, it did not affect the general trade to any great extent, and the majority of the day's business was reported on a steady busin. Caives sold firm.

Receipts this week show a slight gain compared with the corresponding period of last week, but it has been nothing like a liberal week, but it has been nothing like a liberal supply, and outside of the first two days of the week, when supplies were heavy, there have been very few cattle offer d each day suce. The majority of the arrivals have been cows, which sold at £2.562.50, while some little difference prevails by comparison with last Thursday, the general market was fully as good as last week, and conditions were such that had thera been any the market would have ruled lower than usual, but the common kinds have shown fully as much better than usual, but the common kinds have shown fully as much. Prices now are 100 for him warlous classes of dittion of the market on various classes of
